<p>Please note the entirety of District 60 is not serviced by this vendor. Please see the attached list for the District 60 locations included in this QPA. All other District 60 locations are not currently covered by a QPA and should follow the appropriate methods outlined in the streamlining manual when purchasing LP fuel.</p> <p>In locations where tanks are not owned by the State agency, vendor agrees to provide a tank at no cost. Delivery must be made to the agency within 3 days of notification of needed service from the agency. The coordination of removal/replacement or purchase of existing tank not owned by the State, needs to be done between the previous holder of the contract for LP fuel and the new vendor, if applicable. Tanks cannot be replaced or removed until all existing fuel has been used.</p> <p>This is an award of a Quantity Purchase Agreement for LP Fuel. QPA can be mutually renewed yearly for three additional years. The vendor agrees to charge these prices for any products ordered on any QPA release received after the expiration date, but issued prior to the expiration date, and postmarked no later than 14 business days after the QPA's expiration date. Quantities are estimates and could be more or less.</p> <p>Please contact IDOA vendor manager Adam French, afrench@idoa.in.gov, with questions.</p>
